

Systems Programming Assignment Report

Mehraneh Liaee

Measurement

Part1.

```
mehraneh@CS7600-f16-Ubuntu32:~/Desktop/project/mehraneh-hw1$ python measure.py "/tmp/fs-part1.log"
=====
the total number of reads is 520885
the number of sequential reads is 343257
=====
the total number of writes is 226898
the number of sequential writes is 178425
=====
```

Part2.

```
mehraneh@CS7600-f16-Ubuntu32:~/Desktop/project/mehraneh-hw1$ python measure.py "/tmp/fs-part2.log"
=====
the total number of reads is 453962
the number of sequential reads is 299595
=====
the total number of writes is 226898
the number of sequential writes is 178425
=====
```

Part3.

```
mehraneh@CS7600-f16-Ubuntu32:~/Desktop/project/mehraneh-hw1$ python measure.py "/tmp/fs-part3.log"
=====
the total number of reads is 373639
the number of sequential reads is 251622
=====
the total number of writes is 226898
the number of sequential writes is 178425
=====
```

Part4.

```
mehraneh@CS7600-f16-Ubuntu32:~/Desktop/project/mehraneh-hw1$ python measure.py "/tmp/fs-part4.log"
=====
the total number of reads is 89959
the number of sequential reads is 41011
=====
the total number of writes is 363378
the number of sequential writes is 114698
=====
```
